The XtraRide and XtraRide Plus vehicle service contract programs administered by First Protection Corporation and backed by Old Republic Insurance Company.

Extended Protection for New
and Pre-owned Personal
Watercraft and Sport Boats

Extended Coverage

XtraRide® offers new and pre-owned personal watercraft and sport boat owners affordable and reliable protection against the high cost of mechanical repairs.

XtraRide® Plus offers new and pre-owned personal watercraft and sport boat owners ultimate peace of mind with enhanced coverage.

Both **XtraRide Plus** and **XtraRide** provide easy and convenient claims service. All covered repairs can be completed at any licensed repair facility, all you pay is a per-repair-visit deductible set in the contract.

Personal Watercraft and Sport Boat Repair Costs	
Component Group	Average Cost of Repairs*
Engine	\$2,750
Jet Pump	\$1,100
Primary Drive	\$ 615
Electrical	\$ 550
Gauges	\$ 450

* Repair and/or replacement cost estimates based on Protective's internal data in adjusting claims and the most current OEM replacement costs. Examples of average repair and/or replacement cost calculated in U.S. dollars. (11/2006)

XtraRide®

New and pre-owned personal watercraft and sport boat component coverage:

- Engine
- Engine Head
- Electrical
- Ignition
- Fuel Delivery
- Oil Injection System
- Controls
- Steering
- Jet Drive
- Seals & Gaskets (new units only)

XtraRide® Plus

Plus Means More. XtraRide Plus is enhanced coverage protecting all vehicle components on new and pre-owned personal watercraft with only with a few exceptions. See vehicle service contract for complete details.

Optional Coverage

Optional Trailer Package:

- a) Brake components: master cylinder/calipers, hydraulic brake actuator, and backing plate.
- b) Frame components: axle(s), brackets, couplers, hubs, roller, cradles, spring hangers, welds, winch stand, and suspension springs.

Ancillary Benefits

Pick-up and Delivery: Pick-up and delivery charges up to fifty dollars (\$50.00) will be reimbursed when a mechanical breakdown by a covered part(s) disables your vehicle. Pick-up and delivery reimbursement is available when a mechanical breakdown to a covered part(s) disables your vehicle. Reimbursable pick-ups and delivery must be made by a licensed pick-up company or a licensed repair facility.
